

DIGITAL MINDSHIELD FOR UKRAINE

A National Initiative to Preserve Human Capital Through Deep-Tech Psychological Resilience

Hosted by TechUkraine NGO | Powered by Odyssea.AI Deep-Tech Engine | Open Coalition

The Imperative • 47% of Ukrainians report extreme chronic stress, risking social & economic stability. • NGO Burnout: Frontline volunteers face severe secondary traumatization. • Care Bottleneck: Therapy is costly (\$150-\$250/hr) with severe capacity shortages.	The Urgency • Stress Threshold: Early intervention prevents acute stress turning into chronic trauma. • Nighttime Gap: 64.8% of crises occur 8 PM–8 AM when human therapy is offline. • Scalable AI: Proven deep-tech ready for immediate, anonymous mass deployment.	The Synergy • TechUkraine (Host): National NGO with 75% int'l audience & donor reach. • Odyssea.AI (Core): 84% 30-day retention, 2 patents, Zero-Knowledge privacy. • Exited Founders: Led by Tetiana Kodliuk PhD (ex-Dathena, sold to Proofpoint).
